ENJOY A PREMIUM LIFESTYLE

Solarizer Elite makes each bathing experience count!

Emmvee is an intelligent solar solutions producer born from an idea to implement green energy to better use. We aim at providing universally designed products to support all kinds of contemporary and sustainable living. Amidst our industrial product range, Photovoltaics and Solar Water Heating Systems are our strongest since inception in 1992.

Are you looking to switch to a premium & functional water heater?

You needn't look any further. Emmvee Solarizer introduces Solarizer Elite. This luxuriously built, European Quality Standard Solar Water Heater goes right by its name. The superior safety valves of the Solarizer Elite ensures a smooth and risk-free bathing experience. The engineering and the design of this water heater is so supreme that it embodies a premium Quality Standard Glass-Enamelled Tank, prevents the formation of bacteria and rust and provides uninterrupted clean & hygienic hot water at all times.
